Mid- Winter Newsletter 2018

Happy Holidays from Our Family to Yours!

**Dear New York Edge Participants, Family and
Colleagues:**

It is often stated that the Holiday Season is the most wonderful time of the year; however to us the most wonderful time of the year is every day. It is every day that we watch participants of New York Edge grow, we also witness our counselors bond with their students. Through these experiences we are able to see what has been planned for so many months in action and that to us is simply wonderful.

This newsletter is a flashback of the wonderful events that have happened since the beginning of the school year. As well as all the fun, exciting, engaging and wonderful programs we have planned for the upcoming year.

**We wish you and your family the happiest and
healthiest Holiday and 2019.**
